## **PRESIDENT'S REPORT**

**2021 - 2022**

This year is shaping up as a repeat of 2021, Floods, Bush fires and of course the dreaded "COVID 19" again prevalent Australia wide.

Such events certainly played havoc with the states and our own Bowling program where most events were cancelled coming online at a much later date than previously planned.

Due to the apparent "lack of interest" and of course the inclement weather the Executive Committee cancelled the very popular Vets and Super Vets Day. The Executive Committee will discuss the future of this Event for the "Oldies" later.

To our loyal sponsors, who have again supported our Zone, a big thank you from all in the bowling fraternity. Without your ongoing support we could not provide Trophies and prize money for the numerous events that occur on a yearly basis.

Also, I would like to thank Michael Waldie for his ongoing assistance and sound advice to our Treasurer Brian Huttly and Mike Driscoll for his regular one page on Bowls in the Mercury, even during the "Covid lockdown" he ensured the Bowls news was covered.

My personal thanks to all members of the Executive Committee who have ably supported me during my 13 years in office, in particular I would like to place on record my thanks to Brian and Angela Gibson for the long hours that both put in to ensure that all goes well on the bowling front.

Our zone would also like to thank Greg Helm and his team at the BNSW who assisted us on a regular and timely basis during the year.

To each member of the various Zone 16 Sub Committees, a very sincere thanks for your outstanding contribution to our Zone during the year under review. It is certainly a real pleasure to work with such a dedicated and loyal team of Officials, thank you all.

On behalf of all members of Zone 16 our condolences to all families who have lost loved ones during the year, our thoughts and prayers are with you.

Next year will again be a challenge, but with the continued support of our Clubs and members we will achieve our goals of promoting, advancing, and controlling the great game of Bowls.

## **SECRETARY'S REPORT**

**2021 – 2022**

This is my sixth report for Zone 16, and I firstly must congratulate and thank the executive committee for their service this past year. As most would know covid and weather has seriously affected the playing of bowls events this year. The position of Secretary can be demanding and fulfilling. With electronic media things become quicker and maybe a bit simpler but also with that comes quantity.

I have put my hand up for another year as I have enjoyed working for the bowlers of the Zone.

As noted last year the Zone is in a strong position both Administratively and Financially.

I had the pleasure of working with some very capable and keen members of the Executive who all give generously with their time.

To Brian Gibson thanks for a great job in handling Zone events and to his Match Committee for another successful South Pacific Carnival the Carnival was played under a different format due to covid and the lack of sponsorship.

Unfortunately, Zone 16 has had their number of affiliated clubs reduced during 2021-22 financial year. Shoalhaven Heads relocating back to Zone 7 and Kembla Heights leaving Zone 16.

Once again, we found it disappointing in the numbers that came to Management Meetings and the lack of input from clubs and delegates. We now hold quarterly monthly meetings in the hope of getting more to attend. The Zone has struggled over the last five (5) years to fill positions on the executive and sub-committees and if the current trend continues the Zone will not be able to function effectually.

We encourage members to nominate for positions on the executive and sub-committees to ensure the future of Zone 16.

There are some interesting times ahead with the change of the bowling year and the amalgamation of the men's and women's bowls into the one identity.

Thanks for having me and do your best to promote our game.

### **MATCH COMMITTEE REPORT FOR 2021/2022**

At last, we have completed the 21/22 season.

Undoubtedly the worst season on record.

Covid, wet weather, combined with the 2021 season being extended for 6 months, certainly created some headaches for everyone.

Thank you to everyone who assisted, to enable us to complete the season.

A special thank you, to Warilla for allowing us to utilise the indoor, (many times at short notice), when the rain caused havoc.

Unification will still have some challenges ahead in the new season, with the changed playing season and some new events being added to program.

Just to keep you informed on the changes. All events and changes will be reviewed after each event to see how they went. It is possible that some tweaking may occur in the future.

Despite our registration numbers dropping, the competition numbers held their own compared with past years. Zone 16 remains one of the strongest zones in NSW.

One thing that stood out for me, were the pennant playoffs, which I believe were the best contested and the best attended in all the years we have been running them.

A special thanks to Bob and Daniel for assistance on the Match Committee and hopefully we can get a full Match Committee for the new season.

Let's hope the new season is better than the last couple.

**Brian Gibson**

**Chairperson Zone 16 Match Committee**

**UMPIRES REPORT 2021/22**

We would like to thank Windang Bowling Club and Figtree Sports for the use of their facilities to hold our meetings and to other clubs that have assisted us thank you  
Once again Covid has held us up and we were not able to do Accreditation and Reaccreditation till March this year, it was disappointing when Two of Ten people turned up at Kiama and Five of Ten people at Warilla, we give our time to help people pass their Reaccreditation  
The month of June we are doing Accreditation and Reaccreditation at Dapto Citizens the next course will be held at Figtree Sports early July this depends on Presenters  
Accessors being available for dates to be set as we only have three Accessors and Four waiting for Bowls NSW to pass them  
Umpires waiting for Reaccreditation you have been given in most cases twelve months and some two years. Please be aware we only use National Identification Number not Bowls NSW number.

**Financial report for year ending 31 May 2022.**

This is my fourth year as Zone 16 Treasurer, and it is with immense pleasure that I advise the following financial status of Zone 16 Bowls Association Inc. for year ending 31 May 2022.  
Zone 16 showed a small profit of \$3,509 for the 12-month period from 1 June 2021 to 31 May 2022. Having stated this, several tournaments and activities were not conducted throughout the year. Just to mention some are: - Zone singles, pairs, and fours, (all categories), Night Fours, Rookie's tournaments, and a reduction in many tournament entries with limitations placed on our 19 Illawarra bowling clubs due to Covid 19 restrictions.  
Pennant accommodation assistance grants were zero, Pennant entry fees were again reduced by 50%, and club Affiliation fees were dramatically reduced by 25% in accordance with BNSW Ltd guidelines.  
Over many previous years the zone has accumulated investments with the Greater Bank in the amount of \$121,411, realising a small interest of \$567 this year.  
Overall, Zone 16 stands in a particularly solid financial position going forward into 2022 / 2023.  
A special thankyou to all bowling clubs' financial staff for their prompt payments as and when requested.
